## Welcome, rule-breakers and deal-makers.

BCL of Texas in connection with RISE Austin is hosting free conference for entrepreneurs of all types, providing a forum where you can connect and exchange ideas that inspire the entrepreneurial spirit.

These events are not your ordinary workshops. Because BCL's programs are designed for entrepreneurs, by entrepreneurs, the format is hands on, high energy and free flowing. BCL's sessions are limited to 25 participants and will take place at BCL of Texas offices and Ventana Del Soul, a local area nonprofit.

During our sessions you'll connect with entrepreneurs from multiple industries and backgrounds, along with leaders from universities, non-profits, neighborhoods and government. It's a fun and highly educational ride, much like entrepreneurship itself.
